

# Pizzas

We make our own dough fresh daily... but we don't stop there...

It's then proved using the "Pizza Quarter 24-hour method", developing our dough's flavour and texture before we bake your pizza!

\* We take great care to avoid gluten products coming into contact with our gluten free pizza, however we work in an environment with a gluten prevalence and advise people who suffer from Coeliac disease or extreme gluten intolerance against eating our gluten free pizzas. Gluten free pizzas should always be labelled, if you have any query with your order please check with a team member. \*\* The cost of the more expensive half will form the cost of the pizza. Additional toppings will be charged as per the base size.
